INTERNSHIP OFFER LETTER

Dear Tejas Pocchi
Ref. : CTI/A1/C272828

Congratulations! We are pleased to inform you that you have been selected for the position of **Data Analysis Intern** at Cognifyz Technologies. We were impressed by your qualifications, skills, and enthusiasm for data analysis using Python, and we are excited to have you join our team.

As a Data Analysis intern, you will have the opportunity to work on various projects and tasks related to data analysis using Python. Your expertise in Python programming and data manipulation will help us extract valuable insights from large datasets and drive informed decision-making. Whether it's cleaning and preprocessing data, performing statistical analysis, or creating data visualizations, your proficiency in Python will play a crucial role in delivering meaningful results.

We would like to take this opportunity to congratulate you once again and welcome you to Cognifyz Technologies. We look forward to working with you!

Best Regards,

Cognifyz Technologies
